Original Product—Type Certificate Number: A20WE
Make: Boeing
Model: 747-400

Description of the Type Design Change: Installation of an interior modification in Zone A, in accordance with JAMCO America, Inc., Master Drawing List IA-047MDL, Revision B, dated August 14, 1998, or later Federal Aviation Administration (FAA) approved revisions.

Limitations and Conditions: The approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of the aircraft. Supplemental Type Certificate (STC) ST00601LA-D, Installation of Primex Empower System, and Matsushita ST01689AT (Matsushita Entertainment System) must be installed concurrently with this STC. A copy of this Certificate and JAMCO Master Drawing List IA-047MDL, dated August 14, 1998, or later FAA approved revisions must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
