Supplemental Type Certificate

Number SA5689NM

This certificate, issued to Jeanie Sadler
E. 603 Sinto
Spokane, WA 99204

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 03 *of the* Civil Air *Regulations*, effective May 15, 1956.

Original Product—Type Certificate Number: A7CE

Make: Cessna Aircraft Company

Model: 421C

Description of Type Design Change: Installation of entertainment system and associated hardware in accordance with S & S Entertainment Systems Drawing List, Revision B of February 28, 1992, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate and its Continuation Sheet must be maintained as part of the permanent records for the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: August 15, 1989

Date of issuance: March 18, 1992

Date reissued:

Date amended:

By direction of the Administrator

Manager, Special Certification Branch
Seattle Aircraft Certification Office

(Title)
