# Supplemental Type Certificate

Number SA1403CE

This certificate issued to Barbara or Bob Williams
P. O. Box 431, 219 N. Clark
Udall, Kansas 67146

certifies that the change in the type design for the following product with the limitations and conditions

therein specified herein meet the airworthiness requirements of Part 3 of the Civil Air

Regulations effective November 1, 1949, as amended by 3-1 through 3-12 and 3.112 as amended October 1, 1959.

Original Product—Type Certificate Number 3A13
Make Cessna
Model 182P and 182Q

Description of Type Design Change Installation of wing stall fences and aileron gap seals per Mid-America STOL Drawing 1000, Sheet 4, Revision A, stamped "FAA Approved" on February 24, 1978, or later.

Limitations and Conditions 1. This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane. 2. Approval of this STC does not constitute authority to produce parts for sale.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date or otherwise established by the Administrator of the Federal Aviation Administration.

Date of application August 23, 1977 Date issued September 5, 1979

Date of amendment February 24, 1978 Date issued

By direction of the Administrator
