United States of America

Department of Transportation—Federal Aviation Administration

Supplemental Type Certificate

Number SH567NW

(This is a duplicate to replace the original which was lost. Issued 05/10/00)

This certificate, issued to **Tower Aerospace, Inc.**
#104, 1530 27th Ave. N.E.
Calgary, Alberta, Canada T2E 7S6

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 6 *of the* Civil Air *Regulations.*
See Type Certificate Data Sheet H3WE for complete certification basis.

Original Product—Type Certificate Number: H3WE

Make: Hughes

Model: 369H, 369D, 369E (Restricted Category)

Description of the Type Design Change: Installation of tanks, pumps, and spray nozzles in accordance with Chadwick, Inc., Installation Instructions No. 500-00102-003, Revision B, or later FAA approved revision, and Drawing List No. 500-10800-3, Revision F, dated August 15, 1983, or later FAA approved revision.

Types of liquids to be carried were not considered in this evaluation.

Limitations and Conditions: Approval of this change in type design applies to the following models and Serial Numbers (S/N) only: Model 369H series, S/N's 101 and up; Model 369D series, S/N's 03 and up; Model 369E series. This approval should not be extended to other rotorcraft of these models on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that rotorcaft

(See Continuation Sheet, Page 3)

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: July 19, 1977

Date of issuance: February 24, 1978

Date reissued: 02/18/87; 03/24/93

Date amended: 08/30/83; 03/24/93; 05/10/00

By direction of the Administrator

Acting Manager, Seattle Aircraft Certification Office

(Title)

Any alteration of this certificate is punishable by a fine of not exceeding $1,000, or imprisonment not exceeding 3 years, or both.

This certificate may be transferred in accordance with FAR 21.47.

FAA Form 8110-2(10-68)

Supplemental Type Certificate

(Continuation Sheet)

Number **SH567NW**

Issued to: Tower Aerospace, Inc.

Reissued: 02/18/87; 03/24/93
Amended: 08/30/83; 03/24/93; 05/10/00

Limitations and Conditions continued: This determination should include consideration of significant changes in weight distribution, such as an increase in the fixed disposable weight in the fuselage. A copy of this Certificate and FAA Approved Rotorcraft Flight Manual Supplement No. 500-00105-003, Revision B, dated July 22, 1983, or later FAA Approved revision, must be maintained as part of the permanent records for the modified rotorcraft. The intended use of the helicopter is for restricted category operations only.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

-END-

Any alteration of this certificate is punishable by a fine of not exceeding $1,000, or imprisonment not exceeding 3 years, or both.

This certificate may be transferred in accordance with FAR 21.47.
