United States of America

Department of Transportation — Federal Aviation Administration

Supplemental Type Certificate

Number SA00120SE

This certificate, issued to LifePort, Inc.

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 *of the* Federal Air *Regulations.*

Original Product — Type Certificate Number: A10CE

Make: Learjet

Model: 24, 24A, 24B, 24B-A, 24C, 24D, 24D-A, 24E, 24F, 24F-A, 25, 25A, 25B, 25C, 25D, 25F, 35, 35A, 36, and 36A

Description of Type Design Change: Installation of emergency medical stretcher, oxygen, and electrical systems in accordance with LifePort Master Drawing List No. 520-2500, revision B, dated September 14, 1994, or later FAA approved revision.

NOTE: This installation includes provisions for mounting equipment in the cabin interior (via equipment sleds d arches). Equipment mounted on these provisions which is not specified in the above drawing package quires separate FAA approval.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this certificate and FAA approved Flight Manual Supplement (FMS) No. 28 dated September 28, 1994, or later FAA approved revision must be maintained as part of the permanent records for the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: August 16, 1994

Date of issuance: September 28, 1994

Date reissued:

Date amended:

By direction of the Administrator
