Number SA3842NM

This certificate, issued to Flight Structures, Inc.

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b *of the* Civil Air *Regulations.* (See Type Certificate Data Sheet 4A26 for complete certification basis)

Original Product — Type Certificate Number: 4A26

Make: Boeing

Model: 707-300 Series

Description of Type Design Change: Installation of a Class Divider in accordance with FAA approved FSI Master Drawing List No. 85FS118, Revision D, dated May 21, 1987, or later FAA approved revisions.

Limitations and Conditions: Approval of this change in type design applies basically to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. The resulting interior arrangement, along with the required placarding has not been evaluated and is not a part of this STC. This STC must be used in conjunction with STC SA3839NM. A copy of this Certificate and FAA approved Drawing List No. 85FS118 shall be maintained as part of the permanent records for the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
