Supplemental Type Certificate

(Continuation Sheet)

Number ST00201SE

Date of Issuance: June 16, 1995

Limitations and Conditions (Continued):

ST00350NY Service Door Liner Installation, and ST00351NY Aft Door Liner Installation for complete approval.
AIM Interior Installation AA10000-3 must be performed in conjunction with the following Macgee Plastic's STC'S: ST00349NY Left Hand Forward Entry Door Liner Installation, ST00361NY Service Door Liner Installation and ST00362NY Aft Door Liner Installation for complete approval. This approval covers all modifications identified on Flight Structures, Inc. Master Drawing List 94FS481-DO1, Revision M, dated June 27, 1996, or later FAA approved revisions. A copy of this Certificate and Flight Structures Master Drawing List 94FS481-DO1, shall be maintained as part of the permanent records for the modified aircraft. This airplane must be operated in accordance with Flight Structures, Inc., FAA Approved Flight Manual Supplement for McDonnell Douglas DC-9-31 and DC-9-32 airplanes to McDonnell Douglas Document Number DAC 33530. The approval of this change in type design applies basically to the DC-9-31 and DC-9-32 model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of the aircraft.

Any alteration of this certificate is punishable by a fine of not exceeding $1,000, or imprisonment not exceeding 3 years, or both.

This certificate may be transferred in accordance with FAR 21.47.
