United States of America
Department of Transportation—Federal Aviation Administration

Supplemental Type Certificate

Number SA752WE

This certificate, issued to DeLuca of California, Inc.
P.O. Box 637
Banning, California 92220

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 *of the* Civil Aviation *Regulations.*

Original Product—Type Certificate Number: 782
Make: Navion
Model: B

Description of Type Design Change: Installation of Lycoming GO-480-B1D engine and Hartzell HC-82X20/9333C-3 propeller in accordance with Bart N. Lochanthi Installation Instructions No. BNL-1001.

Limitations and Conditions: This approval applies basically to Standard Navion B. Airplanes only. This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any other previously approved modification will introduce no adverse effect on the airworthiness of the airplane.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: February 26, 1964

Date of issuance: August 3, 1964

Date reissued: 12/7/1992; 3/26/93; 10/5/93

Date amended:
