United States of America

Department of Transportation—Federal Aviation Administration

Supplemental Type Certificate

Number **ST00110SE**

This certificate, issued to **JAMCO AMERICA, INC.**

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: A16WE

Make: Boeing

Model: 737-300

Description of the Type Design Change: Installation of a closet in accordance with Jamco America, Incorporated Master Drawing List MA73-1MDL, revision New, dated June 17, 1994.

Limitations and Conditions: The approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. The resulting interior arrangement, along with the required placarding, has not been evaluated and is not part of this STC. A copy of this Certificate and Jamco Master Drawing List MA73-1MDL must be maintained as part of the permanent records for the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: June 24, 1994

Date of issuance: August 12, 1994

Date reissued:

Date amended:

By direction of the Administrator

Roy E Bafford
