United States of America

Department of Transportation — Federal Aviation Administration

Supplemental Type Certificate

Number ST00090SE

This certificate, issued to Jamco America, Inc.

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 *of the* Federal Aviation *Regulations.* (See Type Certification Data Sheet A20WE for complete certification basis.)

Original Product — Type Certificate Number: A20WE
Make: Boeing
Model: 747-300

Description of Type Design Change: Galley Modification in accordance with Jamco America, Incorporated Master Drawing List JLU740-1 MDL, Revision A, dated May 13, 1994

Limitations and Conditions: The Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. The resulting interior arrangement, along with the required placarding, have not been evaluated and are not part of this STC. A copy of this certificate and Jamco Master Drawing list JLU740-1 MDL must be maintained as part of the permanent records for the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: July 2, 1993

Date reissued:

Date of issuance: May 20, 1994

Date amended:

By direction of the Administrator
