United States of America

Department of Transportation — Federal Aviation Administration

Supplemental Type Certificate

Number SH1452NM

This certificate, issued to Onboard Systems

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 6 *of the* Civil Air *Regulations.* (See T.C. Data sheet H3WE)

Original Product — Type Certificate Number: H3WE

Make: Hughes

Model: 369H

Description of Type Design Change: Installation of an Electronic Weighing System in accordance with FAA sealed Chadwick Drawing List No. 51-10800-1.

Limitations and Conditions: The approval of this change in type design applies basically to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate shall be maintained as part of the permanent records for the modified aircraft. Chadwick FAA approved AFM Supplement No. 51-10500-1 is required.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 7, 1981

Date reissued: April 28, 1987

Date of issuance: February 3,1982

Date amended:

By direction of the Administrator

D.L. Riggin
