This certificate, issued to **Raisbeck Commercial Air Group, Inc.**
4411 South Ryan Way
Seattle, WA. 98178

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 36 of the Civil Air Regulations.

Original Product—Type Certificate Number: A3WE
Make: Boeing
Model: 727-100

Description of the Type Design Change: The above Boeing model which has incorporated Raisbeck Commercial Air Group, Inc., Master Drawing List 97B-7001, Revision C, dated July 14, 1997, or later FAA approved revision, complies with FAR Part 36, Stage 3 noise limits.

Limitations and Conditions: Approval of this change in type design applies specifically to the airplane model aircraft only. This approval should not be extended to aircraft on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effects upon the airworthiness of that aircraft nor change the certification status under Part 36. A copy of this Certificate must be maintained as part of the permanent records for the modified aircraft.

The STC holder will provide a written permission statement to each person it authorizes to use this Certificate to alter the product.

(See Page 3 for additional Limitations and Conditions.)
