Department of Transportation - Federal Aviation Administration

Supplemental Type Certificate

Number ST10934SC

This Certificate issued to Phazar Aerocorp
4701 N. Main Street
Fort Worth, TX 76106

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product Type Certificate Number: A6WE

Make: McDonnell Douglas

Model: DC-9-87 (MD-87)

Description of Type Design Change:
Installation of cabin interior re-configuration that converts the original commercial layout interior into a V.I.P. interior configuration in accordance with Master Document List Report Ref PA1826-1-02, Revision N/C, dated January 29, 2009 or later FAA approved revision. FAA approved Airplane Flight Manual Supplement dated February 12, 2009 or later FAA approved revision is required.

Limitations and Conditions:
You cannot use descriptive data about this design change to duplicate other products. This approval is limited to only the installation made in the McDonnell Douglas DC-9-87 (MD-87) Serial No. 49777. This STC does not permit manufacturing of parts for multiple installations.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: February 20, 2008

Date of issuance: February 12, 2009

Date reissued:

Date amended:

By direction of the Administrator
