United States of America

Department of Transportation—Federal Aviation Administration

Supplemental Type Certificate

Number SA4999NM

This certificate, issued to Lifeport, Inc, a Washington Corporation

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part * *of the* * *Regulations.*

Original Product—Type Certificate Number: * See attached FAA Approved Model List (AML)

Make: * No.SA4999NM for list of approved airplane

Model: * models and applicable airworthiness regulations.

Description of Type Design Change: Installation of Lifeport Patient Loading and Support System in accordance with Lifeport Installation Instructions and Drawings as listed on the FAA Approved Model List (AML) of this STC, or later FAA approved revisions.

Note: This STC applies only to the installation of the patient loading and support system and stretcher to convey patients. Any additional equipment required for the care of the patient during flight is not covered by this STC and requires additional approvals.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any other previously approved modification, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate and FAA Approved Model List (AML) No. SA4999NM, and AFM Supplement, both dated December 10, 1990, or later FAA approved revision, must be maintained as part of the permanent records for the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: November 15, 1990

Date of issuance: December 10, 1990

Date reissued:

Date amended:

By direction of the Administrator
