Department of Transportation—Federal Aviation Administration

Supplemental Type Certificate

Number **SH4719NM**

This certificate, issued to **Fly Wright Corp.**
34839 Pacific Highway South
Federal Way, WA 98003-8397

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 27 *of the* Federal Aviation *Regulations.* and FAR 21.29 effective 2/1/65, plus Amendments 27-1 through 27-10 plus FAA Special Conditions and Equivalent Safety items as listed on the Type Certificate Data Sheet.

Original Product—Type Certificate Number: H9EU
Make: Aerospatiale
Model: AS-350B

Description of the Type Design Change: Install additional support angles around the underfloor access panel and an adapter (interface) plate in accordance with W. P. Jennings & Associates, Inc., Sketch 89-1200, Sheets 1 and 2, dated April 11, 1989, or later FAA approved revision, and a Tyler camera mount assembly in accordance with Tyler Installation Instructions Report No. TCS-107, Rev. C, dated August 1, 1985, as amended by W. P. Jennings Installation Instructions No. 1040, dated April 13, 1989, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies basically to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this certificate and FAA Approved Rotorcraft Flight Manual Supplement dated April 26, 1989, or later FAA approved revision, must be maintained as part of the permanent records for the modified aircraft..

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: February 13, 1989 *Date reissued:* November 2, 1995

Date of issuance: April 12, 1989 *Date amended:* April 26, 1989

By direction of the Administrator
