Department of Transportation Federal Aviation Administration

Supplemental Type Certificate

Number S-1400CE

This certificate, issued to Fink Aviation Corporation
1409 Plaza Center
Blue Springs, MO 64015

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 *of the* Civil Air *Regulations.*

Original Product—Type Certificate Number: A7CE
Make: Cessna
Model: 414A

Description of Type Design Change:
Installation of the Fink Aviation Fire Suppression System. DATA REQUIRED: 1. Top Drawing List DL-01-005, Revision F, dated March 15, 1981, and its listed data; 2. FAA Approved Airplane Flight Manual Supplement, Revision A, dated July 25, 1979; or later FAA Approved Revisions to 1. or 2.

Limitations and Conditions:
This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: January 10, 1977

Date of issuance: February 9, 1978

Date reissued:

Date amended: July 30, 1981

By direction of the Administrator
