Supplemental Type Certificate

Number SA01046WI

This certificate issued to Aviation Fabricators
805 North Fourth Street
Clinton, MO 64735

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 *of the* Federal Aviation *Regulations.*

Original Product - Type Certificate Number : A21EU; A56EU
Make : British Aerospace
Model : 3101; 3201

Description of Type Design Change: Installation of a two place side facing divan in accordance with Aviation Fabricators STC Drawing List AF-317, Rev (C), Dated 11-06-01, or later FAA approved revision.

Limitations and Conditions: This STC only approves the installation of the side facing divan frame. A separate FAA approval is required to verify that the upholstery material meets the requirements of 14 CFR part 23.853 and the aisle width requirements of 23.815 are met. Compatibility of this design change with previously approved modifications must be determined by the installer. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : June 29, 2000

Date of issuance : January 16, 2002

Date reissued :

Date amended :
