Department of Transportation — Federal Aviation Administration

Supplemental Type Certificate

Number SA5671NM

This certificate, issued to Steel Products, Inc.

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part of the Regulations.

Original Product — Type Certificate Number: * See attached FAA Approved Model
Make: * List (AML) No. SA5671NM for list
Model: * of approved airplane models and
* applicable airworthiness regulations

Description of Type Design Change: Installation of a wheelchair stowage unit in accordance with Steel Products, Inc. Master Drawing List 16002 as listed on AML No. SA5671NM, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. The resulting interior arrangement, required placarding, and a wheelchair are not part of this STC. A copy of this Certificate and FAA Approved Model List (AML) No. SA5671NM, dated February 26, 1992, or later FAA approved revisions.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: April 15, 1991

Date reissued:

Date of issuance: February 26, 1992

Date amended: June 23, 1992, January 22, 1993

By direction of the Administrator
