Supplemental Type Certificate

Number ST02162SE-D

This certificate, issued to: Flight Structures, Inc.
6330 31st Avenue NE
Marysville, WA 98271

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 and 26 of the Federal Aviation Regulations.

Original Product Type Certificate Number: **T00001SE**
Make: **Boeing**
Model: **777-200LR Series**

Description of the Type Design Change: Installation of an interior reconfiguration on Boeing 777-200LR series airplanes in accordance with Flight Structures, Inc. (FSI) Master Drawing List B0FS016-D01-3, Revision B, dated January 22, 2011, or later Federal Aviation Administration/Organization Designation Authorization approved revisions.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of the aircraft. A copy of this certificate and FSI Master Drawing List B0FS016-D01-3, Revision B, dated January 22, 2011, or later Federal Aviation Administration/Organization Designation Authorization approved revisions must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

(Limitations and Conditions continued on page 3 of 3)

This certificate and the supporting data which are the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the of the Federal Aviation Administration.

Date of application: November 18, 2010

Date of issuance: January 22, 2011

Date reissued:

Date amended:
