United States of America

Department of Transportation -- Federal Aviation Administration

Supplemental Type Certificate

Number SH10CE

This certificate issued to BF Goodrich Aerospace
Lighting Systems Division
3445 South 5th Street
Phoenix, AZ 85040

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 6 *of the* Civil Air *Regulations.*

Original Product - Type Certificate Number : H2SW
Make : Bell
Model : 206A

Description of Type Design Change: Install Hoskins Twilighter Mk II supplementary lighting system consisting of P/N 60-0032-31 power supply and two Model 2 (P/N 30-0021-11) lights.

Data required: As shown by Hoskins Specification (4 pages) dated September 14, 1967.

Limitations and Conditions: The approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated unless it is determined that the inter-relationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of the airplane.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : May 1, 1967

Date of issuance : October 27, 1967

Date reissued : May 4, 1970, April 1, 1990, September 25, 1995, January 31, 1996, September 30, 2011

Date amended :

By direction of the Administrator
