Supplemental Type Certificate

Number SA1455WE

This certificate, issued to Brittain Industries, Inc.

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part * *of the* * *Regulations.*

Original Product — Type Certificate Number: *See attached Master Eligibility List No. SA1455WE for list of approved aircraft models and applicable airworthiness regulations.

Make:

Model:

Description of Type Design Change: Installation of Brittain Industries, Inc. Model CSA-1 Flight Control System in accordance with Brittain Industries, Inc., Drawing List No. 3-506-02, Revision A, dated July 25, 1974 and Brittain CSA-1, B-2C, and B-11 Flight Control Systems according to Master Drawing List 403-506-505, Revision A, dated June 4, 1979 as noted on Master Eligibility List SA1455WE.

Limitations and Conditions: Approval of this change in type design applies basically to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effects upon the airworthiness of that aircraft.
