Supplemental Type Certificate

Number SH400NW

This certificate, issued to EVERGREEN HELICOPTERS, INC.

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part * *of the* Federal Aviation *Regulations.*

Original Product—Type Certificate Number: *
Make: *
Model: *

*See attached Master Eligibility List. No. SH400NW for list of approved helicopter models and applicable regulations.

Description of Type Design Change:
Installation of left hand bubble door with or without duplicate engine instruments in accordance with the applicable data listed on the attached FAA sealed Master Eligibility List No. SH400NW.

Limitations and Conditions: The approval of this change in type design applies basically to the helicopter models listed on the FAA sealed Master Eligibility List No. SH400NW. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate shall be maintained as part of the permanent records for the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: August 11, 1975 *Date reissued:*

Date of issuance: January 20, 1977 *Date amended:*

By direction of the Administrator
