Department of Transportation—Federal Aviation Administration

Supplemental Type Certificate

Number **SA00162SE**

This certificate, issued to **U.S. Department of the Interior**
Office of Aircraft Services
P.O. Box 15428
Boise, ID 83715-5428

*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part * of the * Regulations.*

Original Product—Type Certificate Number: * See attached FAA Approved Model List (AML)

Make: * No. SA00162SE for list of approved airplane models

Model: * and applicable airworthiness regulations.

Description of the Type Design Change: Installation of telemetry antennas in accordance with the data specifed on the Approved Model List.

Limitations and Conditions: Approval of this change in type design applies to the model aircraft only. This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate and the Approved Model List must be maintained as part of the permanent records for the modified aircraft.

The STC holder will provide a written permission statement to each person it authorizes to use this certificate to alter the product.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: February 18, 1994

Date of issuance: December 29, 1994

Date reissued: May 28, 1997

Date amended: April 4, 1997

By direction of the Administrator

(Signature)

Acting Manager, Seattle Aircraft Certification Office

(Title)

Any alteration of this certificate is punishable by a fine of not exceeding $1,000, or imprisonment not exceeding 3 years, or both.

This certificate may be transferred in accordance with FAR 21.47.
