Department of Transportation — Federal Aviation Administration

Supplemental Type Certificate

Number SA2185NM

This certificate, issued to TRAMCO, Inc.

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b *of the* Civil Air *Regulations.*

Original Product — Type Certificate Number: A3WE

Make: Boeing

Model: 727-100 Serial No. 19122

Description of Type Design Change: Interior reconfiguration to 125 passenger seating arrangement in accordance with TRAMCO Drawing No. 83-077 Revision "A" dated December 2 1983 or later FAA approved revisions.

Limitations and Conditions: This approval for change in type design applies to the above serial number aircraft only. This approval should not be extended to other aircraft of this model. Approval for this arrangement is contingent upon installation of an emergency system for opening and extending the ventral stairs as required by Exemption Number 255. A copy of this certificate and FAA approved drawing TRAMCO No. 83-077 shall be maintained as part of the permanent records for the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: November 8, 1983

Date of issuance: December 22, 1983

Date reissued:

Date amended:
