Department of Transportation - Federal Aviation Administration

Supplemental Type Certificate

Number SA00091DE-D

This certificate issued to

Learjet Inc.
One Learjet Way
Wichita, Kansas 67209

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 *of the* Federal Aviation *Regulations.*

Original Product--Type Certificate Number: A56EU
Make: British Aerospace
Model: Jetstream 3201

Description of Type Design Change:

Installation of Collins TCAS-94 TCAS II System in accordance with AMR Combs, Inc. Certification Drawing List 7501122, revision N/C, dated April 11, 1994, FAA approved April 15, 1994, or later approved revision.

Limitations and Conditions:

1. FAA approved Airplane Flight Manual Supplement, CG 01122-5, dated April 15, 1994, or later approved revision is required.
2. This approval should not be extended to aircraft of this model on which previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: February 25, 1994

Date of issuance: April 15, 1994

Date reissued: January 4, 1995
May 7, 2002

Date amended:

By Direction of the Administrator
