This certificate, issued to Boeing Commercial Airplane Company

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part * *of the Regulations.*

Original Product—Type Certificate Number: *

Make: *

Model: *

* See Attached Master Eligibility List Number SA2654NM for List of Approved Airplane Models and Applicable Airworthiness Regulations

Description of Type Design Change: Installation of a seat mounted passenger entertainment system in accordance with the applicable FAA approved drawings listed on the attached Master Eligibility List Number SA2654NM.

Limitations and Conditions: This STC requires prior approval of the seat installation. This approval for change in type design applies basically to the aircraft models listed on FAA Approved Master Eligibility List Number SA2654NM and should not be extended to other specific models of these airplanes on which other previously approve modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane. A copy of this Certificate along with FAA Approved Master Eligibility List SA2654NM shall be maintair as part of the permanent records for the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: November 8, 1983

Date of issuance: October 15, 1984

Date reissued:

Date amended:
