Supplemental Type Certificate

Number SA00457SE

This certificate, issued to **Eric A. Danfelt**
6005 142nd Ct. S.E.
Bellevue, WA 98006

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4a of the Civil Regulations.

Original Product—Type Certificate Number: A-2-575

Make: Rockwell International (North American)

Model: AT-6D (SNJ-5)

Description of the Type Design Change: Installation of 0.250 inch thick acrylic windshield in accordance with sketches and data contained in the FAA project file or later FAA approved data.

Limitations and Conditions: Data pertaining to this modification are considered inadequate for duplication in other aircraft. This approval for change in type design is limited to North American Model SNJ-5, Serial Number 88-17088 only. Polishing of the windshield for the removal of minor scratches is allowed as long as a minimum thickness of at least 0.200 inches is maintained. A copy of this certificate shall be maintained as part of the permanent records for the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: June 24, 1997

Date of issuance: July 7, 1997

Date reissued:

Date amended:

By direction of the Administrator
