Department of Transportation—Federal Aviation Administration

Supplemental Type Certificate

Number **ST00354SE**

This certificate, issued to **Empire Airlines**
2115 Government Way
Coeur d'Alene, ID 83814

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 *of the* Federal Aviation *Regulations.*

Original Product—Type Certificate Number: A-817

Make: Fokker Aircraft B.V.

Model: F.27 Mark 200, 400, 500, and 600

Description of the Type Design Change: Installation of second main landing gear position indication lights in accordance with Empire Airlines STC Control Document No. 3260-01, revision C, dated 7/16/96, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate and the Flight Manual Supplement dated July 19, 1996, or later FAA approved revision, must be maintained as part of the permanent records for the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: May 11, 1996

Date of issuance: July 19, 1996

Date reissued:

Date amended:
