Supplemental Type Certificate

Number ST00213SE

This certificate, issued to BUDERUS SELL CORPORATION

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 *of the Federal Aviation Regulations.*

Original Product—Type Certificate Number: A20WE

Make: Boeing

Model: 747-200 series

Description of the Type Design Change:

Buderus Sell's Upper Deck (U/D) and G3 Galley modification for installation of an additional oven into a Boeing 747-200 series aircraft, in accordance with Sell Master Document List 0633-40B-1, Revision A, dated June 21, 1995.

Limitations and Conditions:

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of the aircraft. A copy of this Certificate and Sell Master Document List 0633-40B-1, shall be maintained as part of the permanent records for the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: January 27, 1995

Date of issuance: July 10, 1995

Date reissued:

Date amended:

By direction of the Administrator
