Department of Transportation — Federal Aviation Administration

Supplemental Type Certificate

B

Number SA1461NM

This certificate, issued to Anything Antiques

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 7A *of the* Aero Bulletin.

~~*Regulations*~~

Original Product — Type Certificate Number: See Attached Master Eligibility List (MEL) No. SA1461NM for list of approved airplane models and applicable airworthiness regulations.

Make:

Model:

Description of Type Design Change: Installation of fuselage structure assembly in accordance with Anything Antiques Drawing, List AA-800, Sections 1 and 2.

Limitations and Conditions: The approval of this change in the type design applies basically to the aircraft models listed on the FAA Approved Master Eligibility List No. SA1461NM. This approval should not be extended to other specific models of these airplanes on which other previously approved modifications are incorporated unless it is determined that the interrelationship introduces no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate and Master Eligibility List No. SA1461NM shall be maintained as part of the permanent records of the modified aircraft

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: February 15, 1982

Date reissued:

Date of issuance: April 19, 1982

Date amended:

By direction of the Administrator

Darrell M Pederson
