Federal Aviation Agency

Supplemental Type Certificate

Number SA1777WE

This certificate, issued to Western Aircraft Sales
P. O. Box 753
Long Beach, California

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 8* *of the* Civil Air *Regulations.* *Effective March 1959.

Original Product — Type Certificate Number: 1A16
Make: GRUMMAN
Model: G-164 and G-164A

Description of Type Design Change:

Installation of Hamilton Standard 3D40/6101A-17 propeller in accordance with Western Aircraft Sales Installation Instructions No. 200.

This approval should not be extended to other specific airplanes of these models on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane.

Limitations and Conditions:

Installation of Pratt and Whitney R-1340 engine in accordance with Frenco Supplemental Type Certificate SA270WE is required.

Supplemental Type Certificate Data Sheet No. SA1777WE is part of this Supplemental Type Certificate.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Agency.

Date of application: July 22, 1968
