805 N. Fourth St.
Clinton, MO 64735

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b *of the* Civil Air *Regulations.*

Original Product - Type Certificate Number :

Make : * See Approved Model List *

Model :

Description of Type Design Change:
Installation of one, two or three-place side facing seat attached to seat tracks per Drawings shown on the approved model list.

Limitations and Conditions :

1. Compatibility of this design change with previously approved modifications must be determined by the installer.

2. This STC approves only the installation of the of the parts contained in the above section "Description of Type Design Change." The requirements for the aisle width, passenger oxygen system, seats and safety belts, and upholstery coverings will require a separate FAA approval to verify compatibility with installation of this STC.

3. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : December 06, 1978

Date of issuance : January 05, 1979

Date reissued :

Date amended : August 28, 1997; August 05, 2004
