

DISPOSITION OF INTERDIRECTORATE COMMENTS

CHANGE 1 TO AC 25.1329-1C, *APPROVAL OF FLIGHT GUIDANCE SYSTEMS*

Comment	Requested Change	Disposition
Commenter: AIR-500		
Change Global. Reference incorrect website (https://www.airweb.faa.gov/rgl)	Update to http://rgl.faa.gov	We agree and have made this change.
Global Change: Remove colored references text and parentheses designating changes in the final draft.	Use of color references does not follow AC template and Order 1320.46c. Changes should be identified by bar line or asterisk to the right or left of the changed information. In additional remove the reference to the change at the end of the paragraph.	We agree and have made this change. We also deleted the following sentence from paragraph 1.b. of the proposed AC: “All changed material appears within brackets and in red type.”
Page 1, paragraph 1a: Insert parenthesis () around “AC”.	Insert parenthesis () around “AC”.	We agree and have made this change.
Page 1, paragraph 2c: Delete “Advisory Circular”.	Delete “Advisory Circular”. It’s already defined in paragraph 1. Only use “AC”.	We agree and have made this change.
