ANM-113 Completed Disposition Table September 20, 2011

1. Document No.: AC 25.1581-1, Change 1: Airplane Flight Manual		2. Project Lead: Michael Menkin: ANM-113		3. Reviewing Office: AIR-500		4. Date of Review: 5/3/11		5. [reserved] Finalized 9/20/11	
6. #	7. Page and Paragraph No.:	8. Comment:	9. Reason For Comment:	10. Suggested Change:	11. [reserved]				
1.	Global Change	Incorrect format.		Since this is a "Change" and not all pages have an updated format; the format needs to match the original issue. All paragraph titles should be in caps, no bold. This also applies to the "Table of Contents". Also, check page number locations. An alternative to update the format on all pages including appendix.	Corrected.				
2.	Paragraphs 1 & 2, Page Cover Page	Suggestion.		Update the amendment number in the final document.	Update the amendment number in the final document before issuance.				
3.	Paragraph 1b, Page Cover Page	Incorrect formatting.		Since there is no subparagraph "a" then, delete labeling of subparagraph "b". The statement in paragraph 1a is not necessary since it's understood that all change pages will be marked and dated appropriately.	Corrected.				
4.	Paragraph 2, Page Cover Page	Missing "Applicability" paragraph.	Non-compliance to Order 1320.46C.	There two mandatory paragraphs within an AC which are paragraph 1, Purpose and 2. Applicability. Insert "Applicability" paragraph after paragraph 1. Renumber "Principal Changes" to paragraph 3.	Corrected.

5.	Figure for Page Control Chart, Cover Page	Clarity.			The original AC doesn't have a "Cover" page listed. Why is there one listed on the page control chart?			Deleted.	
6.	Paragraph 1, 2 nd sentence, Page i	Improper capitalization.			Remove the capitalization from the term "advisory circular".			Corrected.	
7.	Paragraph 2, Page i	Missing "Applicability" paragraph.	Non-compliance to Order 1320.46C.		There two mandatory paragraphs within an AC which are paragraph 1, Purpose and 2. Applicability. Insert a new paragraph 2 titled "Applicability". Renumber document accordingly.			Corrected.	
8.	Paragraph 2, 1 st and last sentences, Page i	Unnecessary information.			Delete the reference to "parts 21, 25, and 36" and "parts 91, 121, and 135" found in the parenthesis.			Deleted.	
9.	Paragraph 3, Page i	Missing period.			Place a period after the title "Definitions".			Corrected.

10.	Footer Area, Page i.	Incorrect format.			Delete the labeling of "page i" in the footer. Page numbers should never be indicated on the first page of a document. It's already understood.			Deleted.	
11.	Paragraphs 3c & d, Page ii	Missing space.			Place a space between subparagraphs 3c & d.			Corrected.	
12.	Signature Block, Page iii	Redundant information.			Remove the signature from this page since it appears already on the front cover page.			Removed.	
13.	Table of Contents, Header, Pages iv, v, vi, and vii	Missing complete title.			Place spell out the title of section as "Table of Contents". On pages v, vi, and, vii rewrite title of section to read: Table of Contents (continued).			Corrected.	
14.	Table of Contents, Pages iv, v, vi, and vii	Clarity.			Why are the pages highlighted? Are they the ones that changed?			From page 1. The statement in paragraph 1a is not necessary since it's understood that all change pages will be marked and dated appropriately.

15.	Table of Contents, Paragraph 2b (10) – (12), Page iv	Adjust alignment.			Move the titles over to the left margin to appear directly under the previous titles.			Corrected.	
16.	Tables of Contents, Paragraphs 2c(2) & d(1), Page iv	Missing connecting dotted lines after title at the beginning.		Inconsistent with the rest of the document.	Place dotted lines to begin immediately after the titles.			Corrected.	
17.	Table of Contents Paragraph 2s(10) – (21), Page v	Adjust alignment.			Move the titles over to the left margin to appear directly under the previous titles.			Adjusted.	
18.	Table of Contents, Appendix 1, Paragraphs 1 & 2, Page vi	Clarity.			Why are these paragraphs placed in the appendix section of the Table of contents?			Appendix is specific and requires a paragraph on applicability and purpose separate from the AC itself.	
19.	Table of Contents, Appendix 1, Paragraph 6, Page vii	Missing space.			Place a space between subparagraph (6) and Paragraph 6 of the Appendix section of the Table of Contents.			Corrected.

30.	Paragraph 3, Page 19	Missing space.			There should be two spaces between the title of paragraph and the first sentence.			Spaces added.	
31.	Paragraph 5a, last sentence, Page 19	Improper capitalization in term "parts".			Remove the "s" showing plural tense in the term "part" since you use a singular conjunction.			Removed.	
32.	Sub-paragraph (1)(c), Page 20	Clarity.			The reference to "14 CFR part 25" changed this statement. Should this be marked with a bar line to indicate the change? Also (c) and (d) used to be one paragraph. Words didn't change though.			Updated from FAR to 14 CFR part 25. (d) made separate because must is changed to should.	
33.	Sub-paragraph (4) (i) and (ii)	Incorrect formatting.			Delete the bar line beside subparagraph (4)(i) and (ii). There is no change from the original document.			Deleted.
