## Memorandum

Date: April 27, 2011

To: IT Enterprises Services  
ATTN: Al Spence

From: Carol Martineau, Manager, Technical Programs & Continued  
Airworthiness Branch, AIR-120 *Carol Martineau*

Prepared by: Doug Law, Technical Program and Continued Airworthiness  
Branch, AIR-120

Subject: Cancellation of Advisory Circular (AC) 20-110L, Index of Aviation  
Technical Standard Orders (TSOs)

---

This memorandum is to request the cancellation of AC 20-110L, Index of Aviation Technical Standard Orders. This AC is no longer required or maintained. An index of all current TSOs can be found at <http://rgl.faa.gov>. In addition, the guidance for applying for a TSO authorization contained in AC 20-110L, is now provided in AC 21-46, TSO Program.

If you have any questions regarding this request, please contact Doug Law, AIR-120 at 202-385-6458.
