

U.S. Department
of Transportation

Federal Aviation
Administration

Advisory Circular

**Subject: FAA CERTIFICATED AVIATION
MAINTENANCE TECHNICIAN SCHOOLS
DIRECTORY**

Date: 08/04/05

Initiated by: AFS-640

AC No: 147-2MM

Change:

1. PURPOSE. This advisory circular (AC) transmits a directory of aviation maintenance technician schools certificated by the Federal Aviation Administration (FAA) under the provisions of Title 14 of the Code of Federal Regulations (14 CFR) part 147 and is current as of August 1, 2005.

2. CANCELLATIONS. AC 147-2KK, FAA Certificated Aviation Maintenance Technician Schools Directory, dated September 3, 2004, is canceled.

3. RATING LEGENDS. FAA certificated aviation maintenance technician school ratings are described in detail in part 147, section 147.11, Ratings, and are shown in this listing by the following code letters:

- a. **A** — **Airframe**
- b. **P** — **Powerplant**
- c. **AP** — **Airframe and Powerplant**

4. ADDITIONAL INFORMATION. Certification of a school by the FAA indicates that the school meets the requirements of part 147, subpart B, Certification Requirements, for the ratings issued. FAA certification does not necessarily mean college credit will be extended by universities nor does it indicate approval by other state or federal agencies.

5. DIRECTORY CHANGES. Additions, changes, and deletions to this directory are made by the FAA Flight Standards District Office (FSDO) that services the area in which each school is located. Errors or omissions should be brought to the attention of the FSDO that issued the certificate.

6. COMMENTS AND INQUIRIES. Comments regarding this publication should be directed to: FAA, Designee Standardization Branch, AFS-640, P.O. Box 25082, Oklahoma City, OK 73125.
