MISCELLANEOUS AMENDMENTS TO CHAPTER

These amendments update certain cross references in the Federal Aviation Regulations and make other miscellaneous corrections.

At the time of the recodification, it was necessary to include in the Federal Aviation Regulations cross references to the Civil Air Regulations or Special Civil Air Regulations where the referenced provision had not yet been recodified. These amendments update those cross references not previously updated. No substantive change is involved in these amendments. In some instances, the cross references as updated herein have been anticipated in compilations and reprints of the respective parts of the regulations.

In addition, the term "Federal Air Surgeon" is substituted for the term "Civil Air Surgeon" in § 11.55 to correctly state the title of that official.

Since this amendment does not involve any substantive change and does not impose a burden on any person, notice and public procedure thereon are unnecessary, and the amendment may be made effective immediately.

In consideration of the foregoing, Chapter I of Title 14 is amended, effective April 10, 1967, as follows:
