Title 14—Aeronautics and Space
CHAPTER I—FEDERAL AVIATION ADMINISTRATION, DEPARTMENT OF TRANSPORTATION

[Docket No. 15457; Amdt. No. 11-13]

PART 11—GENERAL RULE-MAKING PROCEDURES

Processing of Petitions for Medical Exemptions

The purpose of this amendment to Part 11 of the Federal Aviation Regulations is to amend § 11.43 to reflect the authority delegated to the Federal Air Surgeon, Office of Aviation Medicine, for the processing of petitions for exemption from Part 67.

By Amendment 11.11 to Part 11, effective March 29, 1971, the Federal Air Surgeon was delegated authority to grant and deny petitions for exemption from the provisions of Part 67. Appropriate changes were made to §§ 11.15 and 11.53 to reflect that delegation. However, a related change to § 11.43 was inadvertently omitted. Accordingly, § 11.43 is amended consistent with Amendment 11-11 to make the procedures specified in that section applicable to petitions for exemption from Part 67.

Since this amendment is procedural in nature, notice and public procedure thereon are unnecessary and good cause exists for making this amendment effective on less than 30 days notice.

This amendment is made under the authority of §§ 313(a) and 601(c) of the Federal Aviation Act of 1958 (49 U.S.C. 1354(a) and 1421(c)), and § 6(c) of the Department of Transportation Act (49 U.S.C. 1655(c)).

In consideration of the foregoing, § 11.43 of the Federal Aviation Regulations is amended effective March 18, 1976, to read as follows:

§ 11.43 Processing of petitions for rule making or exemption from parts of this chapter.

Whenever the FAA receives a petition for rule making or for an exemption, a copy of the petition is referred for action, as provided in § 11.27, to the Office or Service having substantive responsibility for the subject involved.

Issued in Washington, D.C., on March 8, 1976.

JOHN McLUCAS,
Administrator.
