Chapter I—Federal Aviation Administration, Department of Transportation

[Docket No. 8084]

TECHNICAL AMENDMENTS TO REGULATE TRANSITION TO DEPARTMENT OF TRANSPORTATION

The purpose of these amendments is to make changes in the Federal Aviation Regulations that are necessary because of the taking effect of the Department of Transportation Act (49 U.S.C. 1651 et seq.) on April 1, 1967. On April 1, 1967, the Federal Aviation Agency became the Federal Aviation Administration in the Department of Transportation, and the aviation safety functions of the Civil Aeronautics Board under Titles VI and VII of the Federal Aviation Act of 1958 were transferred to the National Transportation Safety Board.

This rule-making action therefore changes the term "Federal Aviation Agency" wherever it occurs in the Federal Aviation Regulations, to "Federal Aviation Administration," and the word "Agency" when used alone to denote the Federal Aviation Agency to "FAA." For reasons of economy the editions of these regulations that are currently for sale will not be reprinted merely to make these changes. Whenever they are reprinted for other reasons, the printing changes will be made. However, the pages of Part 1 reflecting the changes in definition of the term "Administrator" and the abbreviation "FAA" will be reprinted as soon as possible.

The changes made in the parts containing references to the Civil Aeronautics Board that are affected by the transfer of functions to the National Transportation Safety Board are self-explanatory. Pages containing these changes will also be reprinted as soon as possible.

Notice and public procedure thereon are not required since these amendments merely reflect changes of law, and they may therefore be made effective immediately.

(Secs. 3(e), 8(c), 9(f), Department of Transportation Act (16 U.S.C. 1652(e), 1655(e), 1657(f)); sec. 313(a), Federal Aviation Act of 1958 (49 U.S.C. 1354(a)))

In consideration of the foregoing, the Federal Aviation Regulations (14 CFR, Chapter I) are amended, effective April 1, 1967, as set forth below.

MISCELLANEOUS AMENDMENTS TO CHAPTER

These amendments update certain cross references in the Federal Aviation Regulations and make other miscellaneous corrections.

These amendments update those cross references not previously updated. No substantive change is involved in these amendments. In some instances, the cross references as updated herein have been anticipated in compilations and reprints of the respective parts of the regulations.

In addition, the term "Federal Air Surgeon" is substituted for the term "Civil Air Surgeon" in § 11.55 to correctly state the title of that official.
