

Advance copy pending issuance of revised pages for FAR Part 123

Title 14—AERONAUTICS AND SPACE

Chapter I—Federal Aviation Administration, Department of Transportation

[Docket No. 10508; Amdt. 123-3]

PART 123—CERTIFICATION AND OPERATIONS: AIR TRAVEL CLUBS USING LARGE AIRPLANES

Miscellaneous Amendments

The purpose of these amendments is to update references to certain sections in Part 121 that are incorporated by reference in Part 123.

Amendment 121-55, which became effective February 2, 1970 (35 F.R. 84), made major revisions in Subparts N and O and Appendix E of Part 121 and many of the affected sections are incorporated by reference in Part 123. Therefore, in order to make proper reference to those sections in Part 121 to which Part 123 certificate holders are subject, this amendment is necessary.

Since these amendments which update the references to Part 121 are editorial in nature, I find that notice and public procedure are unnecessary and that good cause exists for making them effective in less than 30 days.

In consideration of the foregoing, Part 123 of the Federal Aviation Regulations is amended, effective August 22, 1970, as follows:

1. By amending paragraphs (i) and (j) of § 123.27 to read as follows:

§ 123.27 Applicable regulations of Part 121.

(i) Sections 121.400 and 121.415 through 121.427 of Subpart N of Part 121

of this chapter except § 121.422.

(j) Sections 121.432 through 121.453 of Subpart O of Part 121 of this chapter except §§ 121.434, 121.435, and 121.440, 121.440.

2. By amending paragraph (a)(1) of § 123.41 to read as follows:

§ 123.41 Training program.

(1) Provides the training required by §§ 121.415 through 121.427 (except § 121.422) of this chapter as applicable to commercial operators except that the training program need not meet the requirements for approved programmed hours of training; and

3. By amending § 123.43 to read as follows:

§ 123.43 Flight crewmember qualifications.

No certificate holder may use a flight crewmember and no flight crewmember may perform duties under his airman certificate, unless the flight crewmember has completed the appropriate training in accordance with the requirements of § 123.41 and §§ 121.415 through 121.427 (except § 121.422) of this chapter as applicable to commercial operators and has met the appropriate requirements of §§ 121.432 through 121.453 (except §§ 121.434, 121.435, and 121.440) of this chapter as applicable to commercial operators.

(Secs. 313(a), 601(a), and 607, Federal Aviation Act of 1958, 49 U.S.C. 1354(a), 1421(a), and 1427; sec. 6(c), Department of Transportation Act, 49 U.S.C. 1655(c))

Issued in Washington, D.C., on August 14, 1970.

J. H. SHAFFER,
Administrator.
