

Federal Aviation Administration

Memorandum

Date: March 21, 2016

To: James A. Viola, Manager, General Aviation & Commercial Division, AFS-800

From: *bc* Susan J. M. Cabler, Acting Manager, Design, Manufacturing & Airworthiness
Division, AIR-100

Prepared by: Craig Holmes, Aviation Safety Inspector, Airworthiness Certification Section,
AIR-113

Subject: Deviation to FAA Order 8130.2H, paragraph 467 and Table C-1

Memo No.: AIR100-16-110-DM07

This memorandum approves your request for a deviation to Order 8130.2H, paragraph 467 and Table C-1, operating limitations, No. 8 and 28. Those items are changed per your attached memorandum.

This deviation will be incorporated into the next change or revision to the order and applies to all individuals authorized to issue an airworthiness certificate. We have updated the operating limitations job aid which is posted to the Regulatory and Guidance Library.

If you have any questions, contact the Airworthiness Certification Section, AIR-113 at 202-267-1575.
