## Memorandum

Date: May 23, 2013

To: All Manufacturing Inspection Offices  
All Manufacturing Inspection District Offices  
All Certificate Management Offices

From: James D. Seipel, Manager, Production and Airworthiness Division, AIR-200

Prepared by: Production and Certification Branch, AIR-220

Subject: INFORMATION: Deviation to Federal Aviation Administration  
(FAA) Order 8120.23, Certificate Management of Production Approval Holders

---

---

This deviation memorandum is issued in response to Corrective Action Request (CAR) C-13-262. This CAR documented a nonconformity when no purchase order or quality system requirements were entered into the information block entitled: Quality Manual, which is located on FAA Form 8120-14, Production Approval/Certificate Management Activity Report.

Effective with the release of this memorandum, supplier information requested in the last sentence of the Block 7 requirements described in Order 8120.23, Appendix N, paragraph 2.g. , shall be entered only to Block 14, entitled: Purchase Order/Quality Requirements.

This deviation memorandum will be cancelled upon the release of change 1 to FAA Order 8120.23 in December 2013.

If you have any questions, please contact the Production and Certification Branch (AIR-220) at (202) 385-6346.
