Supplemental Type Certificate

Number ST01852LA

This Certificate issued to

Flight Test Aerospace, Inc.
1224 Flight Line, Hangar 68
Mojave, California 93501

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Aviation Regulations.*

**Certification basis is set forth in Type Certificate Data Sheet.*

Original Product Type Certificate Number:

A3EU

Make:

Raytheon

Model:

BH125-400A, -600A

Description of Type Design

Change: Installation of Rosemount Pitot Static Probes, dual Honeywell AM-250 Digital Altimeters, Skylight Avionics ADC-602 Analog Interface Unit and standby Altimeter in Model BH125-400 and -600A airplanes equipped with Collins APS-104 Autopilots in accordance with Flight Test Associates Master Drawing List FTA-HW-001002, Revision A, dated September 16, 2005, or later FAA approved revision. FAA Approved Airplane Flight Manual Supplement FTA-HW-001021, and FTA-HW-001022, Both Revision "IR" dated December 19, 2005, or later FAA approved revision is required as part of this installation. The FAA accepted Instructions for Continued Airworthiness is FTA-TH-007013, Revision Initial, dated November 1, 2005, or later FAA accepted revision.

Limitations and Conditions: The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted airplane model series only. A copy of this STC must be included in the permanent records of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: February 17, 2005

Date reissued: December 20, 2005, April 11, 2016

Date of issuance: December 19, 2005

Date amended:

By direction of the Administrator
