Original Product—Type Certificate Number:

* See attached Federal Aviation Administration (FAA)

Make:

Approved Model List (AML) SR00916SE for approved

Model:

aircraft models and applicable airworthiness regulations

Description of the Type Design Change: Installation of DART Model D058-678-011 Bearpaws fabricated in accordance with DART Master Drawing List (MDL) No. MDL-D058-678, Revision B, dated January 29, 2001, or later FAA-approved revision; and installed in accordance with DART Installation Instruction No. IIN-D058-678, Revision A, dated December 3, 1999, or later FAA-approved revision. These Bearpaws must be maintained in accordance with DART Instructions for Continued Airworthiness (ICA) No. ICA-D058-678, dated November 27, 2000, or later FAA-accepted revision.

Limitations and Conditions: Approval of this change in type design applies to the rotorcraft models listed on AML SR00916SE only. This approval should not be extended to other rotorcraft of these models on which other previously approved modifications are incorporated unless it is determined by the installer that the relationship between this change and any other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that rotorcraft. A copy of this certificate, AML SR00916SE, and the ICA must be maintained as part of the permanent records for the modified rotorcraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: February 7, 2000

Date reissued: October 28, 2015

Date of issuance: May 15, 2001

Date amended:

By direction of the Administrator
