Supplemental Type Certificate

Number SR01042SE*This certificate, issued to*

Dart Aerospace USA, Inc.
190 S. Danebo Ave.
Eugene, OR 97402

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 27 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: H88EU
Make: Eurocopter Deutschland GmbH
Model: EC135

Description of the Type Design Change: Fabrication of Dart 0135-692-011 Bearpaws in accordance with Dart Aerospace Drawing List No. MDL-D135-692, Revision A, dated October 9, 2001, or later Federal Aviation Administration (FAA) approved revision; and installation of this system in accordance with Installation Instructions, Document No. IIN-D135-692, Revision A, dated October 9, 2001, or later FAA-approved revision. This modification must be maintained in accordance with Instructions for Continued Airworthiness, Document No. ICA-D135-692, Revision 0, dated October 9, 2001, or later FAA-accepted revision.

Limitations and Conditions: Approval of this change in type design applies to Eurocopter Model EC135 rotorcraft only, which are equipped with the standard skid tubes, high gear skid tubes, or float skid tubes as defined in the Installation Instructions. This approval should not be extended to other rotorcraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of the helicopter. A copy of this Certificate and Instructions for Continued Airworthiness must be maintained as part of the permanent record of the modified rotorcraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 23, 2001

Date reissued: October 28, 2015

Date of issuance: January 25, 2002

Date amended:
