Original Product - Type Certificate Number: A16WE

Make: Boeing

Model: 737-300

STC Surrender processed:

Approval by: 

Melvin Taylor, ATL ACO Manager

Date: 8/4/2009

Description of Type Design Change:

Installation of an interior modification including galley and lavatory and passenger seat rearrangement in accordance with Pemco Aeroplex Report No. 2745, no revision, dated March 27, 1996, or later FAA approved revision.

Limitations and Conditions:

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. This determination should include consideration of significant changes in distribution such as an increase in the fixed disposable weight in the fuselage. "If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission."

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
