*Description of Type Design Change:* Installation of Spectrolab SX-16C Nightsun Searchlight in accordance with FAA Approved Alexair Indentured Drawing Listing Sheet 842-1000, Revision A dated June 7, 1984, or later FAA approved revisions. Alexair Rotorcraft Flight Manual Supplement to Hughes OH-6A/500/530 Model 369 series helicopters, FAA approved on June 12, 1984, or later FAA approved revisions is required as part of this modification.

*Limitations and Conditions:* Applicable to rotorcraft equipped with Extended Landing Gear, Hughes P/N 369D290006. This approval should not be extended to other rotorcraft of these models on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that rotorcraft. This determination should include consideration of significant changes in weight distribution such as an increase in the fixed disposal weight in the fuselage. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

*This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.*
