

Supplemental Type Certificate

Number SA1941NW-D

This Certificate issued to United Air Lines, Inc.
600 Jefferson Street
Houston, Texas 77002

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. (For special conditions, see Type Certificate Data Sheet A20WE.)

Original Product Type Certificate Number : A20WE

Make: Boeing

Model: 747-122

Description of Type Design Change: Seating configuration change in the upper deck from 12 First Class to 16 Business Class. All other zones remain as in present configuration. This reconfiguration will be done according to United Air Lines, DAS-1-WE, Approved Drawing List No. 1941 dated February 16, 1984, or later FAA approved revisions.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this STC must be included in the permanent records of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
