Original Product Type Certificate Number: A-790

Make: Cessna Aircraft Company

Model: 190, 195 (LC-126A, B, C), 195A, 195B

Description of Type Design Change: Installation of locking tail wheel mechanism on existing tail wheel strut in accordance with FAA approved Ray's Aircraft Service Inc.- Drawing List, Report No. 1, revision Original, dated July 29, 1993, or later FAA approved revision. FAA approved Airplane Flight Manual Supplement, dated September 9, 1994, or later FAA approved revision is required as part of this installation.

Limitations and Conditions: The approval of this modification applies to the above-noted airplane model series only. This approval should not be extended to other specific airplanes of this model series on which other approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of the aircraft. This STC is not compatible with aircraft equipped with cross wind landing gear installation. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
