**Supplemental Type Certificate**

Number SA2706WE

This certificate, issued to Pan American World Airways  
*John F. Kennedy Intl Airport*  
*Jamaica, New York 11430*  
certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. (See T.C. Data Sheet A20WE)

Original Product — Type Certificate Number: A20WE  
Make: Boeing  
Model: 747-121

Description of Type Design Change: Modification of Boeing Model 747-121 by the installation of AiResearch Coat Closet P/N 2130091 in accordance with FAA sealed AiResearch Drawing List No. 2130091. The compatibility of this installation in conjunction with an FAA approved interior arrangement has not been determined.

Limitations and Conditions: The approval of this change in type design applies basically to 747-121 only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. This determination should include consideration of significant changes in weight distribution such as an increase in the fixed disposable weight in the fuselage.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
